RE: United States v. Damien Matos, 20-cr-361 (KMW)

Dear Judge Wood:

We write on behalf of our client, Damien Matos. In April, at the parties' request, the Court set a control date of July 23, 2025, for a hearing on the Probation Department's report on an alleged violation of supervised release. As raised to the Court in late May, we submitted a bail application on Mr. Matos's behalf. On June 24, 2025, Magistrate Judge Barbara C. Moses denied Mr. Matos's bail application. Nevertheless, we respectfully request that the control date be adjourned for 60 days, until late September, as we still anticipate the resolution of the state proceedings may impact an appropriate resolution of the federal violation case. The Government consents to this request.

*The control date is  
adjourned to September 24, 2025.* Respectfully submitted,

/s/ Christopher J. Gunther
